

Connecticut Christmas Tree Growers

2025 MEMBERSHIP APPLICATION & INFORMATION

Membership is open to persons and firms who grow or market trees and anyone else interested in promoting the natural Christmas tree industry and allied products in the state or adjacent area.

A newsletter is published three (3) times a year with timely information about the growing and marketing of Christmas trees.

An annual meeting, held in March, and fall field meeting provide opportunities for members to meet and exchange ideas and witness demonstrations of equipment and techniques useful in growing Christmas trees. Other field meetings are held to meet special needs.

Topics covered at meetings and in newsletters include species selection, planting methods, fertilization, shearing, Marketing, needle retention, weed and pest control, tax matters, insurance, and showing trees in competition.

We invite you to join us in helping to promote the production and marketing of top-quality Christmas trees.

Regular Membership \$75 - Deduct \$5 if paid before 12/31/24
