

# Connecticut Christmas Tree Growers Association

## 2026 Membership Application

Whether you're a seasoned grower, just getting started, or simply passionate about real Christmas trees, we invite you to join the Connecticut Christmas Tree Growers Association.

Established in 1960, our association brings together a strong network of growers, scientists, and supporters dedicated to producing and promoting high-quality, locally grown Christmas trees across Connecticut and beyond.

As a member, you'll gain access to:

- Three seasonal newsletters with timely tips, trends, and industry insights.
- Our Annual Meeting each March
- Summer twilight meetings and a full-day field meeting
- Hands-on demonstrations, shared experiences, and real-world solutions from fellow growers

Topics throughout the year include tree varieties, planting and care, pest and weed management, marketing strategies, needle retention, and more, along with practical guidance on business topics like tax and insurance.

Most importantly, membership connects you with a community that understands the challenges and rewards of this industry.

Join us in strengthening and promoting Connecticut's Christmas tree farms and the traditions they represent.

Date: \_\_\_\_\_ Name: \_\_\_\_\_

Name of Farm: \_\_\_\_\_

Phone: \_\_\_\_\_ Cell #: \_\_\_\_\_
